I love how handsome people are. I also love the great music that the British band Deep Purple offers, and in this song the band presents as beautiful as only they can. In this song Deep Purple sings: And if you ever get a chance to see a show it's a great experience, to be a part of a festival it's an amazing experience, to be in a dressing room and hang out with the band, it's a fantastic experience, in the rock 'n' roll life. There's lots of people whose life is not that fantastic. There's hardly a poor family in the whole world who doesn't have a television or a radio, and I wonder why all the kids don't have a phone. And I wonder why the TV, radio and television companies don't give the money to the poor people and build more schools. To be a part of a show that's in London at the end of May, it's gonna be a great experience, to be a part of a show at the Roxy in London, it's gonna be great, to be a part of a show on my stage, it's gonna be great, to be a part of a show that's made by the Queen's team, it's gonna be great, and what I want from you all is that we are happy! And if you have a chance that you ever see a show like that, it's gonna be great, to be a part of a show like that, it's gonna be great, to be a part of a festival, it's gonna be great, to be a part of a show that's made by the Queen's team, it's gonna be great, to be a part of a show, it's gonna be great, it's gonna be great, it's gonna be great, to be a part of a show, it's gonna be great, to be a part of a show that's in London at the end of May, it's gonna be great, to be a part of a show in Boston that's gonna be fantastic, it's gonna be great, to be a part of a show with the Queen's team,
